"Always Water Ready"

Docks

The **Beach King** dock is a lightweight, easy to install, yet strong dock. Perfect for years of worry-free use.

- 7" Solid Slide Aluminum tube with a 1" lip on the side to keep decking safe and in place.
- Up to 24 feet in one section
- Bracing 16" on center on all docks.
- No more weeds hanging up on your dock.
- All welded or bolted construction, for the strongest frame on the market.
