ROLL-IN DOCKS

Installing and removing your dock need not be a dreaded chore. JB Lund's Roll-In Dock system boast a lightweight classic design, and provide the ultimate ease going in and coming out of the water. Sturdy aluminum trusses with triple stringers and 2 3/8" OD aluminum legs mean your dock won't shift or flex. Removable 4x4 foot decking panels allow you to match your dock to your needs and environment.

FEATURES

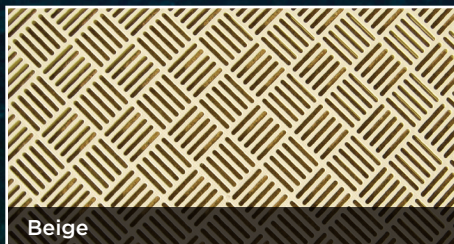

JB Lund Docks can be configured to either Roll-In or Sectional Systems to meet your lake shore requirements.

2 3/8" OD aluminum posts provide a solid foundation for the JB Lund Sectional Docks and provides the dock owner with a solid sense of security.

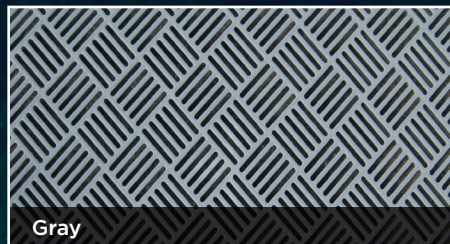

With the combination of tubular aluminum construction and maintenance free decking, you will enjoy the benefits of a JB Lund Dock for many years.

Constructed of injection-molded vinyl. JB Lund's gray and beige grate decking prevents water pooling, making it ideal for rough water.

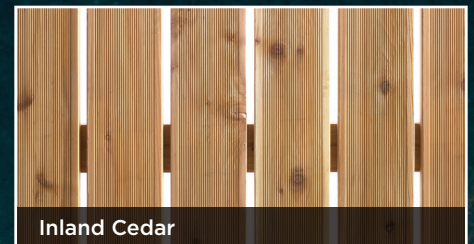

Inland cedar decking provides an attractive compliment to any dock and has a unique serrated top.

JB Lund Dock Systems Warranty - JB Lund warrants all JB Lund-built equipment purchased by the original owner to be free from defects in the material and workmanship under normal use for a period of 15 years from the date of purchase, excluding components and options which carry their own manufacturer's warranty, wherein that warranty applies. There is no other express warranty. JB Lund is not liable for incidental or consequential damages or injuries of any kind due to installation, removal, use, misuse, misapplication, or improper selection of its purchased or displayed products. JB Lund agrees to repair or replace only defective parts returned prepaid to the factory and deemed defective by JB Lund. Warranty is void when misuse or neglect is the cause. Specifications are subject to change without notice.

JB Lund leads the industry with its welded triple stringer system and cross-members every 4 feet. Triple stringers strengthen the frame, fully support the decking and eliminate flex.

JB Lund's Roll-In are designed to be sturdy, yet versatile. With 2 3/8" aluminum legs and pockets mounted to the trusses, you can adapt to any situation.

JB Lund's Infinite Nut Channels allows for accessories to be located anywhere with no drilling.

BOAT & PONTOON LIFTS

JB Lund boat lifts are constructed of sturdy aluminum and feature multiple bunk options that smoothly raise and lower your boat, without damaging the hull. Vertical Lifts raise your boat higher than any lift on the market and are perfect for shallow lake bottoms. All JB Lund vertical boat lifts can be easily converted to pontoon lifts. Canopy tarps feature UV-protected vinyl and come in nine color options, adding extra protection and style to your shoreline.

BOAT VERTICAL LIFT

108" aluminum lift
3000, 4800 lb capacity
120" aluminum lift
3800, 4800 & 6000 lb capacity

PONTOON VERTICAL LIFT

108" aluminum lift
3000, 4800 lb capacity
120" aluminum lift
3800, 4800 & 6000 lb capacity

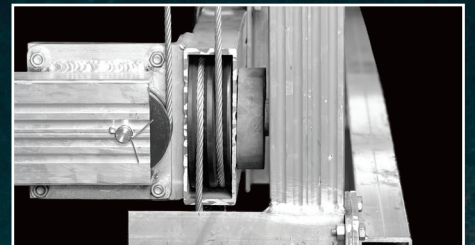

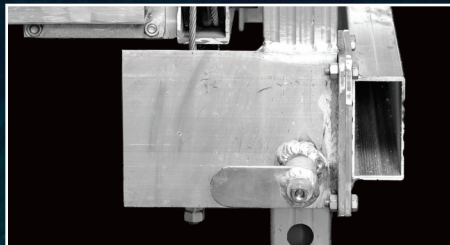

PWC LIFT

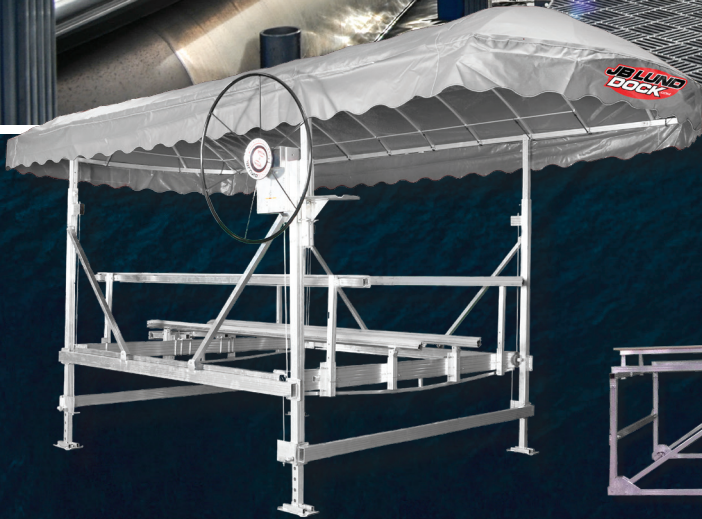

66" aluminum lift
1200 lb capacity

JB Lund vertical lift are perfect for shallow water application and raise higher than any lift in the market. Standard length legs of 36" increase the water depth the lift can be used in.

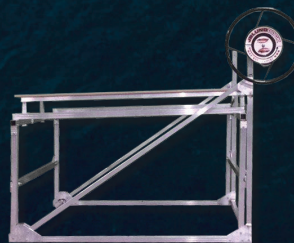

Locating the right pinhole on a submerged lift can be backbreaking work. Spring Pin Leg Adjusters are an exclusive feature on JB Lund's lifts. Spring loaded pins lock securely into place as you adjust the lift legs.

JB Lund PULLEYS are made of Moly cast nylon which have self-lubricating properties which are resistant to chemicals and have superior wear and abrasion resistance.

PONTOON VERTICAL LIFT

For ease of installation and removal, add a JB Lund Lift Wheel Kit. Roto-molded polyethylene wheels never go flat. Suitable for all vertical lift models.

JB Lund Lift Systems Warranty- All new JB Lund-built equipment carries a 15-year conditional warranty on all aluminum and aluminum welds, and a 5-year pro-rated warranty on canvases, excluding fading. JB Lund further warrants all JB Lund-built accessories on JB Lund-built equipment, purchased new by the original owner, to be free from defects in the material and workmanship under normal use for a period of 12 months from the date of purchase, excluding components and options which carry their own manufacturer's warranty, wherein that warranty will apply. There is no other express warranty. JB Lund is not liable for incidental or consequential damages or injuries of any kind due to installation, removal, use, misuse, misapplication, or improper selection of its purchased or displayed products. JB Lund agrees to repair or replace only defective parts returned prepaid to the factory and are deemed defective by JB Lund.
